

**GREEN COFFEE BEAN EXTRACT (GCBE)**  
 Activates fat metabolism in the liver and maintains healthy blood sugar levels. Powerful antioxidants.

**BANABA EXTRACT**  
 Stimulates glucose uptake, reduces insulin levels and regulates blood sugar, all of which combined, curb carb-rich food cravings.

**GREEN TEA (EGCG)**  
 Increases fat breakdown, stimulates fat burning, suppresses fat formation and contains potent antioxidants and blood sugar regulators.

**FUCOXANTHIN**  
 Targets a protein called UCP1 that increases the rate at which abdominal fat is burned. Targeted fat-burning.

**CARALLUMA FIMBRIATA**  
 Suppresses appetite and increases energy - has been shown in studies to decrease BMI as well as waist and hip circumference.

**FAST-ACTING**  
 Rapid release capsules ensure blend is dissolved faster than regular tablets/capsules.

**N-ACETYL-L-CARNITINE**  
 A cognitive enhancer, which has been shown in clinical trials to improve overall mood and mental function, essential for those following a low-calorie eating plan.

**RESULTS DRIVEN**  
 Based on the latest scientific research from across the globe, experience the power of Phedra-Cut Ultra XT and feel the energy instantly.

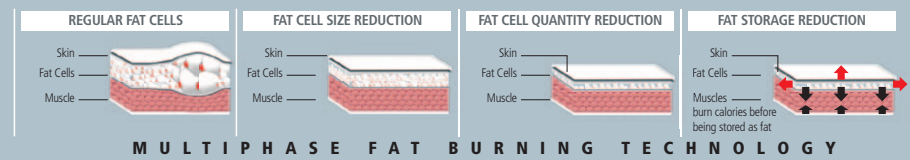

**LONGER LASTING**  
 Multiphase technology for optimal all-day-functionality.  
**M-phR™**  
**MULTI PHASE**  
**ADIPOSE BURNER**  
**TECHNOLOGY**

**NEW PHEDRA-CUT ULTRA XT**

# TRI-ACTION FAT LOSS<sup>3</sup>

- 1 INCREASE FAT BREAKDOWN**  
**LIPOLYSIS**  
 Break down your body's stored fat into glycerol and fatty acids to be released as energy into your blood stream
- 2 MAXIMISE FAT BURNING**  
**FAT OXIDATION**  
 Enhance your body's own natural fat-burning mechanisms to burn fat more effectively and for longer, with the revolutionary thermogenic M-phR™ Multiphase technology
- 3 REDUCE FAT FORMATION**  
**REDUCE LIPOGENESIS**  
 Inhibit the process whereby calories (sugars and fat) are being converted to body fat and then stored under the skin as fat mass
